INDIRECT TANGIBLE BENEFITS

- *You may further order for \$1 a stack of name and address cards for the 25 people nearest your home.
- *Members may expect to be answered directly or in HGW or L&S.

INTANGIBLE BENEFITS

S-SA's promotion function continuously supports key campaigns that generate vitality to form the hang glider era. Memberships support and truly benefit from this activity. The movement we have today, in great part, came from this work.

The dream will be best realized when free flight information is in every corner of the world.

S-SA, now beyond an embryo movement now concentrates on universalizing access to everybody's everywing idea.

The infinite mix of ideas and shared play generates satisfying pilot-carriable self-soar wings for anyone's choosing. This is the S-SA promise coming true.

....be a part of this at this idealistic and universal level!
